After having been delayed by one week to allow all the Chinese families to unite for their respective reunion dinners on the 25th of January, the annual CNY Run was held last Sunday, the 1st of February at Venus Drive. Twelve families came together to sponsor a commemorative T-shirt and provide oranges and a red packet (hong bau) for all the members.

After an immediate T-check up the starting hill, the trail took us into the forest on a paved walking trail. After a little less than 1 km, the hares took us into a stream and then up a hill into thicker forest off of any civilized trails. There were plenty of thorns and obstacles. After about 1km meandering through forest, we came out at the SICC where the trail split left for LONG runners (2-3kms home) and right for SHORT runners (1.5km home).

T-shirts were distributed at the conclusion of the run. Mr. Hoe provided fried rice, sweet & sour pork, spring rolls, and veggies. After ice cream, the circle was called by Head Horror, Sim Preston. We had two 50 RUN awardees with namings: Rosanne Hemelraad was given the name "Running Rose" and Thomas Hemelraad was given the name "Waterman".

After the circle, the hares organized a water balloon toss. Great fun and a great afternoon for all! On On!
